

What can I watch?

240^{extra} channels

Freesat from Sky gives you access to a great choice of over 240 quality digital TV channels, including terrestrial channels like BBC1, ITV and More4 and Pick TV – that’s four times more than Freeview TV. And with channels ranging from entertainment to sport and music, including shows like Cold Case and Road Wars, there’s something for everyone to enjoy.

You can also view up to six free to air high definition channels if you have an HD ready TV and a SkyHD box - BBC HD, BBC One HD, ITV1 HD, Channel 4 HD, Channel 5 HD and Luxury Life HD.
